TARIFF FORMAT

This tariff is divided into the following major sections:

General

Section 1: Technical Terms and Abbreviations

Section 2: Rules and Regulations

Section 3: Description of Service

Section 4: Rates and Charges

- A. Sheet Numbering** - Sheet numbers appear in the upper right corner of the page. Sheets are numbered sequentially. However, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 14 and 15 would be 14.1.
- B. Sheet Revision Numbers** - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current sheet version on file with the Kentucky PUC. For example, the 4th revised Sheet 14 cancels the 3rd revised Sheet 14. Because of various suspension periods, deferrals, etc., the Kentucky PUC follow in their tariff approval process, the most current sheet number on file with the PUC is not always the tariff page in effect. Consult the Check Sheet for the sheet currently in effect.
- C. Paragraph Numbering Sequence** - There are seven levels of paragraph coding. Each level of coding is subservient to its next higher level:
- 2.1
 - 2.1.(A).
 - 2.1.(A).1
 - 2.1.(A).1.(a)
 - 2.1.(A).1.(a).I.
 - 2.1.(A).1.(a).I.(i).
- D. Check Sheets** - When a tariff filing is made with the Kentucky PUC, an updated check sheet accompanies the tariff filing. The check sheet lists the sheets contained in the tariff, with a cross reference to the current revision number. When new pages are added, the check sheet is changed to reflect the revision.

SECTION 2 - RULES AND REGULATIONS

2.1 APPLICATION OF TARIFF

- 2.1.A. This tariff contains the rates applicable to local exchange resale telecommunications services offered by Affordaphone, Inc. within the State of Kentucky. Service is furnished subject to transmission, atmospheric and like conditions.
- 2.1.B. The telecommunications services of the Company are not part of a joint undertaking with any other entity providing telecommunications channels, facilities, or services. However, services under this tariff are conditioned upon the continued availability of the various services provided to the Company by its underlying carriers.
- 2.1.C. The rates and regulations contained in this tariff apply only to services provided through Company's contracted Carrier, and do not apply, unless otherwise specified, to the lines, facilities, or services provided by any other local exchange telephone company or other common carrier for use in accessing the services of the Company.

2.2 UNDERTAKING OF AFFORDAPHONE, INC.

- 2.2.A. The Company undertakes to provide telecommunications services to Customers for their lawful and direct transmission and reception of voice, data, and other types of communications in accordance with the terms and conditions set forth in this tariff.
- 2.2.B. All service is subject to the availability of necessary and suitable facilities and to the provisions of this tariff. The company or its designee may act as the Customer's agent for ordering access connection facilities provided by other carriers or entities, when authorized by the Customer, to allow connection of a Customer's location to a service provided by the Company. The Customer shall be responsible for all charges due for such service arrangement, and shall pay for such service agreement in advance.
- 2.2.C. The Company's services are provided on a monthly basis unless otherwise provided, and are available twenty-four (24) hours per day, seven (7) days per week.
- 2.2.D. The Company shall not be responsible for any construction, installation, operation or maintenance of any Customer-provided communications equipment. Where such equipment is connected to serviced furnished pursuant to this tariff, the responsibility of the Company shall be limited to furnishing of services in the proper manner.

- 2.2.E. The Company assumes no liability with respect to the construction, operation, or maintenance of Customer-provided station equipment at the Customer's premises, excepting such liability directly due to negligence of Company's employees or agents.
- 2.2.F. The Carrier may, upon notification of the Customer, at a reasonable time, make such tests and inspections as may be necessary to determine that the requirements of this tariff are being complied with in the installation, operation, and maintenance of Customer-provided equipment and in the wiring of the connection of Customer channels to Carrier-owned facilities. The Carrier may temporarily suspend services, without liability to Company or Carrier, while making such tests and inspections, and thereafter until any violations of such requirements are corrected.
- 2.2.G. The Company may take such action as necessary to protect its operations, personnel, and services, and will promptly notify the Customer by registered mail in writing of the need for protective action. In the event that the Customer fails to advise the Company within ten (10) days after such notice is received that corrective action has been taken, the Company may take whatever additional action is deemed necessary, including the suspension of service, to protect its operations, personnel, and services from harm.

2.3 LIMITATIONS

- 2.3.A. The Company does not undertake to transmit messages, but mediates the use of its Carriers' facilities when available, and will not be liable for errors in transmission or for failure to establish connections.
- 2.3.B. Prior written permission from the Company is required before any assignment or transfer. All regulations and conditions contained in this tariff shall apply to all such permitted assignees or transferees, as well as all conditions of service.
- 2.3.C. Company reserves the right to disconnect service without incurring liability when necessitated by conditions beyond the Company's control or when the Customer is using the service in violation of either the provisions of this tariff or the laws, rules, regulations, or policies of the jurisdiction of the Calling Station or the Called Station, or the laws of the United States including the rules, regulations, and policies of the Federal Communications Commission.

- 2.5.F. The Company shall not be liable for damages or adjustment, refund, or cancellation of charges unless the Customer has notified the Company in writing, of any dispute concerning charges, or the basis of any claim for damages, within a reasonable period of time after the invoice is rendered or a debit is effected by the Company for the call giving rise to such dispute or claim. Any such notice must set forth sufficient facts to provide the Company with a reasonable basis upon which to evaluate the Customer's claim or demands. If notice of a dispute concerning the charges is not received, in writing, within a reasonable period of time after an invoice is rendered or a debit is effected, such invoice shall be deemed to be correct, accepted, and binding upon the Customer.

2.6 OBLIGATIONS OF THE CUSTOMER

- 2.6.A. The Customer shall provide the personnel, power, and space required to operate all facilities and associated equipment installed on the premises of the Customer.
- 2.6.B. The Customer shall be responsible for providing Carrier personnel access to premises of the Customer at any reasonable hour for the purpose of testing the facilities or equipment of the Carrier.
- 2.6.C. The Customer will be liable for damages to the facilities of the Carrier caused by negligence or willful acts of any officers, employees, agents, or contractors of the Customer.
- 2.6.D. The Customer is responsible for pre-payment of all charges for services to be rendered by the Company. Customer may authorize others to use the services provided by the Company, but Customer remains responsible to the Company for payment of all charges for services used by others pursuant to this paragraph, with or without the Customer's knowledge. Customer is responsible for notifying the Company immediately of any unauthorized use or service.

2.7 INTERRUPTION OF SERVICE

For the interruption of service which lasts more than two hours in continuous duration, and which is not due to Company's testing or adjusting, to the negligence or willful acts of the Customer, or to the failure of channels and/or equipment provided by the Customer, the Customer is eligible for a service credit. It shall be the obligation of the Customer to notify Company of any interruptions of service for which a credit allowance is desired. control, and/or is not in the wiring or equipment, if any, furnished by the Customer and connected to the facilities of the Company. For purposes of calculating the service credit under this provision, every month shall be considered to have seven hundred twenty (720) hours, and the applicable credit shall be calculated according to the following formula:

$$\text{Credit} = A/720 \times B$$

A = outage time in hours

B = total monthly charge for affected facility

2.8 RESTORATION OF SERVICE

The use and restoration of service in emergencies shall be in accordance with Part 64, Subpart D of the Federal Communications Commission's Rules and Regulations, which specify the priority system for such activities.

2.9 PAYMENTS AND BILLING

2.9.A. Service is provided on a monthly basis and billed in advance. The minimum service period is one month, except for Customer's second invoice, which shall be pro-rated for the portion of the month in which service was initiated that Customer received services, calculated according to the following formula:

$$\text{Second Invoice Amount} = A \times B/C$$

A = number of days of service received by customer

B = flat monthly charge for services

C = number of days in calendar month in which service was initiated

2.9.B. The Customer is responsible for the payment of all charges for services furnished by the Company.

2.9.C. Customer bills are due and payable no later than 7 days after the posted due date on their invoice.

2.9.D. Customer bills are payable by cashier's check, money order, or electronic funds transfer only.
